Career Objective

Motivated and detail-oriented Computer Science student with a passion for software development, problem-solving, and learning new technologies. Seeking an internship or entry-level role to apply and enhance my technical skills.

Education

BCA

Lingaya's Vidyapeeth, Faridabad

Relevant Coursework: Databases, Algorithms, Web Security

GPA: 7.36/10.0

2021–2024

MCA

Lingaya's Vidyapeeth, Faridabad

Relevant Coursework: Network security, Software engineering, Cryptography

GPA: Pursuing

2024–2026

Technical Skills

- **Languages:** C, C++, Java
 - **Web Technologies:** HTML, CSS, JavaScript
 - **Databases:** MySQL, MongoDB
 - **Performance:** Query optimization, Rate limiting, Load testing
-

Projects

Blog Application

JavaScript, HTML, CSS, MongoDB

- Built a blog platform where users can read and create blog posts. It includes front-end design and database integration for storing content.

Password Strength Checker

HTML, CSS, JavaScript

- Created a web-based tool that checks the strength of a user's password based on criteria like length, character variety, and symbols. It gives real-time feedback to help improve password security.
-

Certifications

- Artificial Intelligence using Prolog Programming – SWAYAM
 - Fundamentals of Computer Systems – SWAYAM
 - Programming in Java - NPTEL
-

Hobbies

- Cricket, Music, Video editing
